Votes.—Votes for State and County officers for this County can be had by calling at this office. The Town Committees should see that their towns are supplied.

We shall print votes for other Counties as they may be ordered.

Drum Major.—Major T. R. Clark of Chester, Drum Major of the First Vermont Regiment, has been appointed to the same position in the 5th Regiment.

#### Caucus.

The Freeman of the town of Montpelier who are in favor of supporting the present Administration, of putting down Rebellion, and sustaining our Government, are requested to meet at the Village Hall on Monday Eve., Sept. 21 at 7 1/2 o'clock, for the purpose of nominating some person to represent the Town in the next general Assembly; also to nominate ten Candidates for Justices of the Peace.

By Order of Town Committee.

A DEMOCRATIC COUNTY TICKET.—The nomination, by a few Democrats at Northfield, Friday, of a County ticket has but little significance. It will be voted by a hundred or perhaps two hundred Democrats in the County, and no more. We hope no Republican will suffer it to change his action at all, but will vote the whole ticket nominated by our Republican County Convention. Whoever may scratch other names on that ticket, let no Republican fail to vote for Mr. Dillingham and Mr. Heaton. We believe these gentlemen do not sympathize at all with the Northfield Convention, and would if there were time so declare. At least, give them a full vote.

Our reporter mistook, in reporting W. W. Wells, and H. Hollister, as taking part in the Convention. It should have been reported Samuel Wells, and J. E. Hollister. The latter gentlemen were at the Convention, while the former were not there and had no inclination to be.

BURLINGTON.—At a town caucus, called on the "Union" plan at Burlington Friday, Calvin Blodgett, Esq., was put in nomination as a candidate for town Representative. CAROLUS NOYES, Esq., the very able Representative from that town last year, received 127 votes out of 278 votes cast. It is none of our business, but we confess that we cannot see how either the town of Burlington, the State of Vermont, the United States Government, or the vigorous prosecution of the War can be better served by Mr. Blodgett than by Mr. Noyes. The latter gentleman was last fall and at the extra session one of the most prominent and able men in the House, and then and since has freely given his strength to the defense of the Government against traitors. His only fault in the "Union" view that we can possibly imagine is that he was a good Republican. The nomination will hardly harmonize the voters of Burlington.

CALEDONIA COUNTY.—A "Union" County Convention at St. Johnsbury has made up an eclectic ticket, composed partly of the Republican County ticket, and partly of the Democratic County ticket of last year, Samuel Mattock's being named as Senator in place of Mr. Hall, Daniel Roberts as Assistant Judge, in place of E. A. Parks, Hon. E. A. Cahoon, State's Attorney, and J. W. Gleason, High Bailiff. The Caledonian says Mr. Cahoon declines the nomination. The Convention approved of the State ticket nominated here the other day, and gave other indications of being managed by political Democrats.

FORWARD THE RETURNS.—We desire very much to get early and complete returns of the vote for State officers and the names of Town Representatives elected throughout the State, and the vote for County officers, in full, in the Counties of Orange, Washington and Lamoille, next Tuesday. Town Clerks, Postmasters, and any gentlemen who will so far interest themselves as to forward to us at the earliest moment these returns, will be kept in especial remembrance by us. Please forward them the first opportunity by mail or otherwise.

UNUSUAL.—Just before the Northfield Company of three months volunteers left for the war, a purse of several hundred dollars was made up and given to Capt. Boynton to be used as the necessities of the Company might require. A gentleman who happened to be at Northfield at the time handed Capt. B. a ten dollar bill toward this fund. The other day the same gentleman happened again at Northfield, Capt. Boynton returned to him the ten dollars, saying that it had not been needed, and should come back to the original owner. This is certainly an exhibition of the strictest integrity.

AGRICULTURAL FAIR.—The Williamstown Agricultural Association will hold its fourth annual fair at Williamstown on the 2d and 3d days of October. This Association is under efficient managers who will make the fair a valuable one for all who are interested—as what Vermonter is not?—in Agricultural pursuits. The awarding committees are gentlemen of good judgment and large experience in such matters. An address will be pronounced by D. F. Hutton of Williamstown.

PROF. JAMES RICE has just received from Gov. Fairbanks authority to enlist and organize a Regimental Band of 20 pieces, to go to the War with either the 4th or 5th Regiment from this State. Prof. Rice will give his immediate attention to the business, having his headquarters at Burham's Hotel in this village. The Band will probably remain here until the Regiment which it is to accompany leaves for the Seat of War. Prof. Rice will himself lead the Band and go with it to the War. None but the first-class musicians need apply for a place, as only that class will be accepted.

DECLINED.—We are happy to learn that Hon. Andrew Tracy, of whom we made mention last week, was nominated for Governor, by the Convention at Montpelier, without his knowledge or consent, and further that he declines the nomination. We are also glad to learn that he is hearty in his support of the Government in putting down the rebellion of traitors. This is good news, and leaves Mr. Holbrook as the only regular candidate in the field. There will, of course, be votes sent out for other candidates, but they will be the representatives of some individuals or cliques. Indeed, it is probable that Mr. Tracy himself will receive most of the scattering votes, as there is not time for his declaration to become generally known throughout the State.—B. F. Times.

This leaves Mr. Holbrook and B. H. Smalley (secessionist) as the only candidates in the field. Patriots, give Mr. Holbrook, and the ticket he heads, your votes, and show that Vermont is so near a unit in this war, that the fraction is not of consequence enough to be taken into account. Holbrook, Underwood and Page constitute the only ticket that is pledged to the Government and the war. Give them a rousing majority.

AN INTENTION OF MARRIAGE.—We have received an "official" notice, in the shape of an elegant card and note of invitation, of the purpose of COL. FRANCIS A. EASTMAN, formerly editor of the *Vermont Patriot* in this village, and now one of the editors of the *Chicago Post*—one of the best papers that visit our sanctum—of joining unto himself in the silken bonds of matrimony, Miss J. E. C. Barrett, as we otherwise learn, a most estimable and beautiful lady in Chicago. They are to be married Tuesday, Sept. 3d, and we regret that the stringency of the money market, and the necessities of a daily paper will prevent our being present. We congratulate the Colonel, we congratulate Miss Barrett, we congratulate the friends of both parties. "It is not good that the man should be alone," is old, but it is true as the Bible, nevertheless. Colonel, we say to you confidentially, you are doing just right. You are fulfilling Scripture. You are serving your Country. Go ahead.

THE NORTH STAR is the only paper in the State that supports the ticket put in nomination here on the 21st inst. The *Patriot* run up the same ticket, but it proved too much for that paper, and the same week it died. We hope the STAR will survive, however, and we think it will. We should be sorry to have it share the fate of the most of the ticket.

PATRIOTISM.—The *Bellows Falls Times* says: "More than enough for one company have already volunteered from this County. Fifty-six men have enlisted in Brattleboro, and are now drilling every day. In Bennington County two full companies have already enlisted, and the prospect is that the next two regiments will be filled in a week or two, and all this without drafting a man."

RECRUITING.—H. A. PUTNAM, whom we mentioned some days ago as assistant recruiting officer with an office at Plainfield, has received a commission from Gov. Fairbanks as recruiting officer, with authority to take charge of the men who had enlisted at Barre under Dr. Templeton, the latter gentleman having given up his papers. Mr. PUTNAM has already enlisted over fifty men, and will doubtless soon fill up his company.

LAMOILLE COUNTY.—SOLAM GATES, having declined the nomination as one of the Assistant Judges, on the Republican ticket in Lamoille County, the name of JOHN W. SMITH of Stowe has been placed on the ticket in his stead.

The Supreme Court did no business at the recent term at Hyde Park, all the cases being deferred to the General Term.

The following named persons have been chosen by the Lamoille Company as their officers:  
Captain, Reuben C. Benton; 1st Lieutenant, J. W. Stiles; 2d Lieutenant, Samuel Sumner, Jr.; Sergeants, L. D. Tice, J. M. Jackson, Austin Wilkins, F. A. Crane, L. M. Perkins; Corporals, C. W. Boardman, C. H. Dodge, H. A. Davis, G. M. Porter, A. J. Baldwin, Franklin Staples.—*Newsdealer*.

The Vermont soldier whose death at Philadelphia was notified a few days ago, was JOHN M. FISU of Royalton, of Co. E, 2d Vt. Regiment.

Hon. THOMAS GLEED died yesterday (Friday) at 10 o'clock, at his residence at Morrisville, of typhoid fever.

Mr. Gleed had been for many years a prominent lawyer in Lamoille County, widely known and respected. By his services in both branches of the Legislature for several years, he had made for himself a State reputation, and was rapidly growing into a deserved popularity abroad as well as at home, and the public as well as his friends and neighbors, will mourn his loss.

R. J. RICHARDSON of this village, who had been ordered to the Navy Yard, Brooklyn, for examination as an applicant for the office of assistant Paymaster in the Navy, has returned. His examination was entirely satisfactory, and he will undoubtedly very soon receive the appointment, and be commissioned for immediate service.

### 8 O'CLOCK, A. M.

QUINCY, Ill., August 30.  
Lieut. Pinkley of the Illinois 69th has arrived, and states that a body of Rebels estimated at 2500 to 3000, under the notorious Martin Green, took possession of Palmyra yesterday morning. There were no U. S. troops there to defend it, and no resistance was made. 500 Rebels are in town, and the balance are encamped outside. A train of cars containing a considerable amount of arms for the troops at St. Joseph, which left Hannibal yesterday, was fired into near Palmyra and forced to return. No damage was done.

PHILADELPHIA, August 30.  
The *Baltimore American* has the following reliable intelligence regarding the Division of Gen. Rosencranz. The gentleman says that up to 3 o'clock yesterday afternoon, Gen. Rosencranz was not only alive and well, but was quietly attending to his important business at his headquarters. It was believed that no attack would be made by either of the Southern forces under Gen. Lee or Wise. Every confidence seems to be placed in the ability of Gen. Rosencranz to maintain himself against any force likely to be spared to attack him.

Boston, August 30.  
At ten minutes before 4 o'clock this afternoon a fire broke out in the cellar of the six story brick block, No. 106 State St., occupied by Banker & Carpenter, dealers in Paints, Oils, &c. Loss extensive. B. & C.'s stock insured for \$55,000, and building about \$10,000.

New York, Aug. 30. Nearly 50,000 persons participated in the meeting yesterday for the benefit of the 69th regiment's widows and orphans.

New York, Aug. 30. The *Times* special Washington dispatch says that Gen. Scott expressed an opinion to day that the Rebels must soon make an attack on our lines. Information from the Confederates states that there are large numbers of Rebels in and about Manassas, and scattered on the roads leading to Richmond and Strasburg. There was much sickness among the men owing to the wet weather. Wheat, corn and flour were plenty, and everything else scarce. The Rebels are very restless, and demanding to be led on to Washington, and are highly elated at the Bull Run success.

An intercepted letter from Columbus, Ga., states that the N. Y. papers are received there regularly 10 days from publication, and the Rebels are basing their movements along the lower tier of States on supposed Federal designs, as indicated by Northern papers. Authority has been given to raise a cavalry regiment in Vermont.

The evidence against the recently arrested female spies is conclusive.

CLARKSBURG, August 30.  
The battle of Cross Roads was a mere skirmish. Col. Tyler was posted North west of Summerville with his regiment, in two divisions. The Rebels got between them, flanking Col. Tyler, who retired with a loss of only 15 men. Major Casmet with the other sub-division, numbering 400, arrived at Charleston yesterday. Gen. Robert Schenck is ordered to service in the Department of Ohio.

CAIRO, Ill., August 30.  
A flag of truce from New Madrid arrived at Camp at Bird's Point this afternoon, the object being to exchange prisoners. It is reported that the Rebels under Jeff. Thompson and Hardee are falling back on New Madrid.

CHICAGO, August 30.  
A dispatch from Cairo says that news has been received at Cape Girardeau to the effect that the Rebels have retreated from Benton to Bloomfield. If this is true there are now no Rebels within 30 miles of the river.

LOUISVILLE, Ky., August 30.  
Ex-President Pierce has arrived here from the Northwest.

Fayette, Mo., Aug. 30.  
Apprehensions being felt that the Branch of the State Bank here might be robbed, the cashier yesterday sent the specie, about \$100,000, to Allen depot on the North Missouri Railroad, for transportation to St. Louis. There the money was seized by a party of 20 secessionists, led by Capt. Poindexter, and carried off. Whether it will be recovered or not is unknown.

WASHINGTON, August 30.  
Official dispatches from the East Indies state that orders have been received for the immediate return of our squadron. One ship will be left there, and also on the coast of Africa and Brazil.

NEW YORK, August 30.  
Several applications have been made to Frank E. Howe, the Massachusetts agent here for enlistments in Senator Wilson's Regiment, by Massachusetts men temporarily resident here.

WASHINGTON, August 30.  
Flag officer Inman has communicated from the African squadron that the Rebels have been sending circulars to Naval officers of Southern birth, holding out inducements to leave the Federal service and join that of the rebels with equal rank.

First Lieut. Tatnall of the Marines had received one of these documents.

The Government employees have received one-sixth of their present month's salary in treasury notes, and the remainder in specie. Private parties have been exhibiting to prominent officials and offering to supply the army with Prussian needle guns.

Rolla, Aug. 29.—The correspondent of the *St. Louis Democrat* states that an attempt was made to blow up a train 8 miles east of here, but the explosion only covered the locomotive with dirt, and slightly wounded the engineer. A keg of powder was placed between the rails, and was exploded by the approaching train in some unknown manner when the engine passed over it. The explosion occurred on an embankment 1500 feet high, and if the explosion had been upward instead of lateral, the train would surely have been thrown down the embankment. A reconnoitering party of cavalry last night found several rails torn up in a deep cut near Jamestown, and fired upon three suspicious characters.

CAPT. BURNHAM has recruited more than the number (twenty five) desired by him to fill up the Second Regiment. Vermonters offer their services cheerfully and freely to their Country.

Missouri under Martial Law  
Reported offer of Freedom to Slaves.

500 Rebels at Munson's Hill.

Naval Expedition off Hatteras Inlet.

Rebel Invasion of Maryland threatened.

New York, August 31.

The *Tribune* says it has trustworthy information that Gen. Fremont will issue a proclamation this morning declaring Missouri under martial law, and offering freedom to the slave population.

CINCINNATI, August 31.

It is understood here that Gen. Fremont has issued a proclamation putting the recent confiscation act of Congress into effect.

New York, August 31.

The *Times* special Washington dispatch says the Rebels made a demonstration with three pieces of artillery this morning on the picket at Falls Cross Roads. Our troops returned their fire, and they soon retreated. Two scouts report seeing 500 arms stacked at Munson's Hill, and the Rebels are throwing up breastworks. They are still impressing negroes. No passes will be issued by the State Department to pass into the Rebel States. The *World's* dispatch says that a number of leading financiers are urging the Government to force the rebels to abandon their threatened attacks on various points in the South. It is estimated that there are 75,000 Rebels between Edward's Ferry and Harper's Ferry waiting for an opportunity to cross into Maryland, there to be assisted by the Maryland Secessionists, and it is reported that a hundred of the latter are congregating on the Eastern shore.

Fortress Monroe, August 30.

The gun-boat *Iroquois* arrived from the blockade off Savannah last evening. She reports having heard heavy cannonading off North Hatteras Inlet, and also spoke a brig which had met the Federal fleet. We have no intelligence from the fleet.

WASHINGTON, August 31.

It seems certain that the Administration at present has no intention whatever to avail itself of the permission given by Congress to collect the revenue on ship board, or closing the ports, which on the land side are in possession of the rebels. Our Government will rely on the existence and efficiency of the blockade for a sufficient answer to any reclamation which may be made by Governments in regard to their maritime rights.

FIFTH REGIMENT.—The *Messenger* (St. Albans) says that Hon. A. O. Brainerd of that village has received from the Governor the appointment of Quartermaster of the 5th Vermont Regiment.
